

# MANAGER

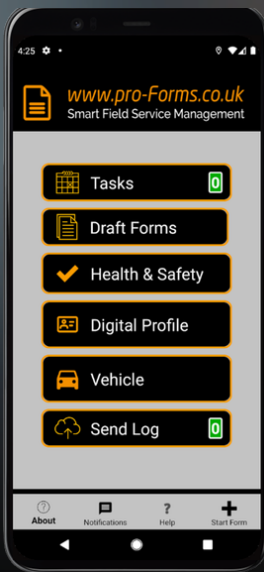

## ENTERPRISE ASSET

ENTERPRISE ASSET MANAGER gives organisations full visibility and control over their physical assets from acquisition or installation through daily usage and compliance to final disposal including compliance checks, QR/NFC scanning, AI camera asset identification and reporting.

Designed for users wanting easy implementation and set-up but with powerful features and no long roll-outs or costly consultants. Typical users include Asset Owners, Building Occupiers, Asset Managers, Surveyors and Equipment Manufacturers (OEMs).

With 2 different Price Options available ENTERPRISE ASSET MANAGER can meet the most demanding of business situations.

Simply choose between **OPTION A** or **OPTION B** as to which meets your requirements:
